For prizes over \$35,000 please call or e-mail Morgex hole in one for a quotation

Rates are for up to 144 players

For more than 144 players, take premium amount, *divided* by 144, times the number of players. For example, for a tournament of 200 players and a prize value of \$20,000 the premium would be $(\$395/144) \times 200 = \547.00 Rounded to the nearest dollar.

If you are a licensed insurance Broker the rates include 15% commission.

10% Discount for under 100 players

20% Discount for under 50 players

50% prize restoration is now included on all policies
